"Where there is a Will there is a Way." I agree with this proverb. It means, that there aren't anything impossible. If you ^{really} want to do something, you can do it because the main thing is desire and will.

Firstly, First of all, you need to work hard for good results.

For example, today we have biology test. I really wanted to do it well, so I worked hard and learned every thing.

Secondary, I guess, that you need to understand, that there aren't anything impossible. You can do every think. For example, ~~I think~~ we had sports competition and we won it, because we belived that we can do it.

Dear Jill,

How are you? I've read your letter about your favourite food. I like pizza too. I like our Russian borsch. It's so delicious! My mum and grandma often cook this soup. My favourite dish is pizza too. I like it very much. I eat fast food. Because it's delicious. But it's dangerous for our body. There are a lot of fats and carbohydrates, but it doesn't have vitamins. I don't eat apples because I have an allergy for it. I like to eat bananas, ~~and~~ and also like to eat chips.

Dear wishes,

Vlad
